

### Overview:

The Blade is a sleek and contemporary kiosk designed to fit comfortably in the most elegant environments. Resulting from 6 years of experience and feedback on our K100 design, the Blade retains the K100's robustness while offering high end aesthetic appeal. It can be produced in your preferred choice of colour and branding.

The Blade is particularly suited for retail, showroom and exhibition environments. The modern compact dimensions make it ideal for any location where space is at a premium.

The Blade features a high quality 17" vandal, scratch and water resistant infrared touch screen LCD monitor.

### Standard Features:

- Attractive & yet tough steel construction
- Vandal, water and scratch resistant touch screen panel (sealed to NEMA4 / IP65)
- Logitech Stereo Speakers
